Dear Madam,

The pleasure had been big for the Association of Cameroonian Archivists (ACA) by receiving from you a grant of eleven (11) books by the mean of our member Fidèle Rosine NGOUE BIBOUM.

I wish to express my gratitude on behalf of ACA for this donation and I promise this will be used for developing its members' knowlegements. And if possible, we also hope that we could do something as important as this for you, the Norwegian Society of Records Managers and Archivists, our beloved SPA-ICA and any other archivist or Archives Association in the World.

Hoping that this grant of books is just the beginning of a larger and interesting cooperation, please accept, dear Madam, my distinguished regards.

Sincerely,

*Marc Florent Essomba*
